

## COAL SHIPMENT ROUTE AND TONNAGE REPORT

**PURPOSE OF REPORTS:** These reports determine the ton-mile data that is used in the formula which returns severance tax revenue to counties. Tons data is also used to update/revise the Extended Weight Coal Haul Road System.

**DUE DATE:** Each semi-annual report is due 30 days after receipt of this notice.

### FORM INSTRUCTIONS

**REPORTING COMPANY:** Name and complete address of reporting company, severance tax number used to pay tax on coal, and phone number where contact person can be reached during normal daytime working hours.

#### 1. ORIGIN

- a) **Name of Unit:** Contract miner or company assigned name or number.
- b) **County:** Kentucky county where origin unit is located (for coal shipped into Kentucky, use first Kentucky county and road number at state line).
- c) **Permit #:** Permit number assigned by Department for Natural Resources, Division of Mine Permits
- d) **Latitude and Longitude:** Location of unit in degrees, minutes, and seconds (found in permit or license package).
- e) **Type of Operation:** Check type of unit.

#### 2. DESTINATION

- a) **Name of Destination:** Specific name of tipple, dock, prep plant, etc. in Kentucky to which coal is shipped (do not use town or area for name of destination).
- b) **Road:** Road number or name where destination is located (out-of-state routes, use last Kentucky road to exit state).
- c) **County:** Kentucky county where destination is located (for coal shipped out of state, use the last Kentucky county before exiting state).

**3. TONS TRUCKED:** Tons shipped from **one** origin to **one** destination during reporting period.

#### PLEASE NOTE

The **permit number, latitude and longitude, destination**, and the **specific road number or name** where coal begins traveling on public roads must be included on this form so we can include your tons in the ton-mile calculations.

**Please TAPE form closed for return mail. Post Office requests NO STAPLES PLEASE!**
